Examiner's Amendment / Comment

The Examiner's Amendment portion of the Notice of Allowability mailed 9/6/06 is **WITHDRAWN**. Specifically, the "STATEMENT OF RELATED APPLICATIONS" section of the application should be printed in the patent just as it appears in the paper filed 5/25/04. The Title should be printed as it appears on the application transmittal filed on 2/27/04 (i.e., "DUAL-ACTION DECONTAMINATION FILTER AND METHOD").

The Examiner's Statement of Reasons for Allowance portion of the Notice of Allowability mailed 9/6/06 remains unchanged. The examiner notes, however, that the bracketed expression "[sic]" was used at page 2, penultimate line, and at page 3 line 4 for the sole purpose of letting the record show that the examiner was aware that in claims 15 and 44, the expression "antimicrobial compound" was not preceded by the indefinite article "an" whereas a similar recitation in claim 21 part (c) was.
